## About this object

**ECONOMICAL, EXCELLENT A ++ ENERGY CLASS HOUSE IN VILNIUS FOR SALE**[www.uzutrakionamai.lt](http://www.uzutrakionamai.lt)Continuation of quarterly construction projects <https://www.biciuliukvartalas.lt/> and <http://www.jazminunamai.lt/>.

All city communications! Ceramic tile roof. Clinker tile finish. Kommerling windows.

Well-maintained: about 30 m<sup>2</sup> terrace, lawn, paved parking spaces near the house.

The construction is being developed by a company that has been operating in the Lithuanian market for more than 10 years and has implemented a number of successful and high-quality projects.

Developers can also complete the finishing work - 400 euros per square meter.
