About this object

For rent premises of various sizes in the Žalgiris business center.

The two-building business center of B energy efficiency class is located on Žalgiris Street, Šeimyniškių micro-district.

The housings are designed with separate ventilation of rooms on each floor - recuperation and conditioning.

The latest engineering technologies are installed in the business center: air heat pumps, individual thermostats are installed in the office premises, with the help of which each tenant can adjust the temperature in the office according to their needs.

For the convenience of tenants and their customers, there is a parking lot next to the building.

The building has an access control system and a video surveillance system.

Advantages of the business center:
