## About this object

Office premises of various sizes are for rent in the "Sky Office" business center being built on Spaudas street. An 18-storey building with A+ energy efficiency, certified according to BREEAM sustainability quality requirements. The business center is equipped with a high-efficiency ventilation and humidification and climate control system, which ensures a favorable microclimate in the premises. For the comfort of employees there is a rest area on the roof of the building, a viewing balcony and a cafe. For the convenience of tenants and their customers, there is a 2-story 196-space underground parking lot with a smart number scanning system. The advantages of the Sky Office business center: • Class A+ energy consumption efficiency • BREEAM certificate • The possibility of setting up premises in both open space and cabinet systems • Underground parking • Terrace on the roof of the building In each specific case of renting, an o
