About this object

Gardino 22 is a new project in Rasos, in a small street where a piece of forest surrounds the courtyards and blends harmoniously into the houses. Created sustainably and with great respect for the environment, a small apartment building of 15 apartments, created for a person who wants to create a connection with nature, neighbors. Houses designed by the architects of the Vilnius Architecture Studio for modern aesthetes.

Future residents already have the opportunity to choose 3-, 4-, and 5-room apartments from 70 sq.m. up to 148 sq.m. In many apartments, mezzanines are planned. DISTINCTIVENESS AND ADVANTAGES OF THE PROJECT:
