About this object

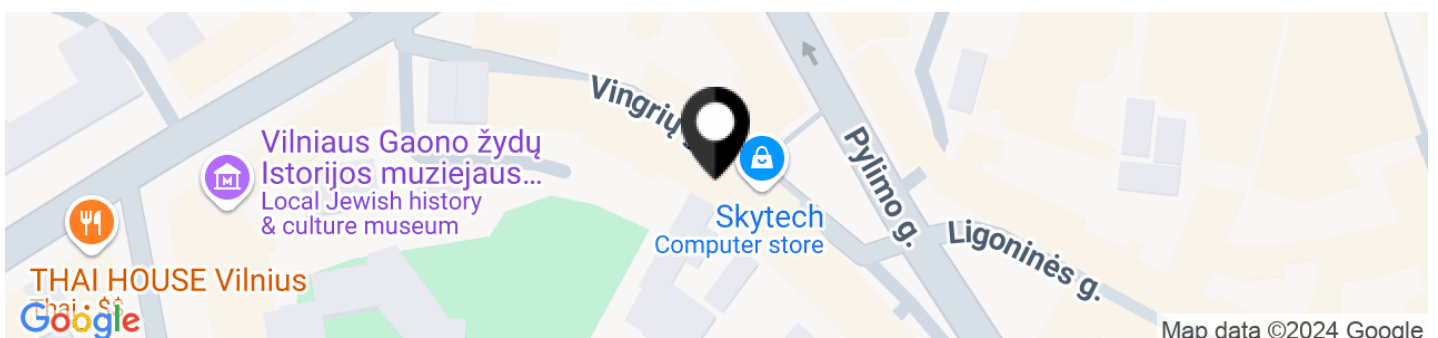

In these houses, everyone seeking to experience the spirit, emotion, and history created by the Old Town will find a place.

A 160 sq. m. apartment is for sale in one of the most coveted locations in Vilnius – the Old Town. The apartment will be suitable for both a large family and for investors engaged in long-term or short-term rental. There is a potential to arrange separate rooms with individual bathrooms, making it ideal for rental. Alternatively, two separate 3-4 room apartments of 82 sq. m. each can be created.

This is a highly attractive investment considering the historical value, cultural diversity, unique architecture, and other advantages of this area.
