About this object

Furnished, 4-room 155.45 sq.m. for sale in a private community of own houses, Eglių St. m. house with 16.55 acres of land.

In 2024, a general repair of the interior of the house was carried out.

Fenced territory, smartly and comfortably planned interior spaces, a huge green yard, everything you need for a comfortable family life.

Sold with all furniture and appliances.

Paved driveway, active community, permanently maintained private grounds with private pond. A very strong community. Those who like to walk will find several forests with named tracks. There are several shopping centers nearby.
